Here at The Murder Mystery Company we offer a two to three hour live action, interactive, murder mystery show. The moment you walk in the door you will be wrapped up in a thrilling whodunit experience, mingling with crazy characters and shady suspects in an evening of mystery, intrigue, and murder. As you enjoy a delicious three course meal, the plot will unfold and someone will drop dead (in a comedic way, of course). As the night continues you will need to interrogate the suspects, gather the clues, and work with your team to crack the case before the killer gets away! We have a variety of themes that change periodically, so become a repeat offender, and enjoy a murder mystery dinner show like nothing you've ever experienced before! Catch all our different shows and show our masters of mystery who the real super sleuth is. Call us today at (888) 643-2583.

\* Reservations must be made with The Murder Mystery Company by phone or online. Subject to availability. Tickets can only be redeemed for one show only. Strict No Rescheduling Policy.
